

THE CHRISTMAS POST OFFICE

First Baptist Church 2020

While the upcoming holiday season looks different for many, First Baptist Church still wants to offer you the opportunity to share your joy and well wishes with fellow church members. To keep our annual Christmas Post Office tradition intact, we're going virtual this year in an exciting and fun way!

1. **SELECT** your Christmas greeting for your church family. This might be a...
Photo of you and your loved ones
Brief video of you/your family sharing a holiday greeting
Christmas picture drawn or colored by your child
2. **SUBMIT** your Christmas greeting to Rev. Marcus J. Pernell at mpernell@fbcfrankfort.church by Tuesday, DECEMBER 8.
3. **ENJOY** the greetings from your church family! We hope to run the greetings as a video show at the end of worship service on December 13 and 20 and post the video on our website and Facebook.
