

FBC SUNDAY SCHOOL OPPORTUNITIES

OCTOBER 2020

First Baptist Church currently offers 3 different curriculum options for adults. You are welcome to try one, try all, or switch between curriculums/classes. Currently, all classes meet via Zoom.

For a Zoom link to any of the classes, or for more information and to obtain a curriculum packet, please contact Rev. Amanda Standiford, Associate Pastor of Children and Spiritual Formation, at 502.227.4528 or astandiford@bcfrankfort.church.

FORMATIONS

Formations follows an annual plan utilizing the New Revised Standard Version (NRSV) that provides a steady, well-balanced diet of faith-based study. Built in a format that encourages both individual reflection and group discussion, lessons come from hundreds of Baptist writers from hundreds of Baptist churches around the country including male and female, urban and rural, young and not-so-young. *Formations* will guide you in a journey through biblical passages and issues that create meaningful and life-changing connections.

FBC currently offers two classes utilizing *Formations*, a men's class and a women's class.

CONNECTIONS

Connections presents an ecumenical mix of traditional Bible study (NRSV) and contemporary insight. Following the Revised Common Lectionary (RCL), a believer will be given help in knowing the content of the Bible, understanding its message, and responding to that message by living a life of faith and love. Using the RCL texts creates an opportunity to connect Bible study with worship by relating the lesson text to the sermon text.

FBC currently offers a combined class of men and women who study *Connections*.

FAITHELEMENT

Faithement encourages real conversation rich with memories, insights, and experiences. The Scriptures present us with stories of faith with people, like us, who are imperfect and doing our best to stay connected to God while finding our way in a crazy world. God gets personal to the point of becoming one of us, with us, in the person of Jesus Christ. *Faithement* offers multiple ways to experience a session including videos, music, web links, a podcast and other interesting content to engage persons with the Scripture.

FBC currently offers a combined class of men and women who utilize *Faithement*.
